**Call to Artists**

**Kensington Gallery often seeks submissions from artists for our theme shows.**

**For most shows:**

**Artists are welcome to submit work in any media.**

**The Gallery is limited in space so smaller work with dimensions of 24" x 24" or under is encouraged.**

**We have space for sculptural work as well.**

**Work should be fully dry and ready to hang/display.**

**The artist should include any special hardware and hanging instructions.**

**The artist should include the title and selling price for each piece.**

**Kensington Gallery has a 60% / 40% split for all work sold.**

**The artist receives 60% and the Gallery receives 40% of any sales made through the gallery.**

**The Gallery's 40% goes directly towards funding autism research.**

**Submission Guidelines**

**Submit two to four sample .jpls of your work to Info@KensingtonGallery.org**
